30/14	<p>Public Session: Elma Floyd reported dog fouling on the footpaths. John Havil said the NDDC have offered to collect dog bins, we do have the power to fine £80. Is the dog warden the person we should report dog fouling to? Separate dog bins may be collected by NDDC. Action Clerk to enquire.</p> <p>John Havil suggested that dog bins are added to the precept.</p> <p>Elma said that the travellers are back at Five Bridges, however this is being dealt with.</p> <p>Anne Ledgerwood reported that noisy dogs and music being played at Court Cottage has been a problem since May this year. John Havil said that in the past he has rented a property there. Anne Ledgerwood asked what the next step would be, John Havil said that the best course of action would be to keep the peace as it could make the situation worse. However this is noise pollution. John Havil also said it is virtually impossible to impose action for</p>	<p>SF</p> <p>AJ</p>

	<p>unacceptable behaviour and said to leave well alone until after an event, however please take notes. We are with you with your concerns.</p> <p>Carol has reported fly tipping on footpaths in Kington Magna. Report all incidents on Dorset for You website.</p> <p>PC suggested that an item be written for HearHere pointing out that dog owners are required by law to “poop-scoop” on public paths and in public areas (such as the recreation ground) and that they can be fined if they do not do so. Furthermore, if the Parish Council has to buy, install and get NDDC to come and empty dog waste bins, inevitably that will mean that every resident has to pay for it, via the precept. Bagged dog waste can be put in household rubbish bins for collection.</p>	PC
31/14	<p>Chairman’s report</p> <p>Since our last council meeting on 12th May we have eventually managed to get the road works started to resurface most of Church Hill. Our Clerk Sophie has recently had an operation and is recovering well. I am pleased to say that everything in the villages seem to be okay at this time.</p>
