5	Public Discussion on Parish Matters
	Alma – It was pointed out by Alma that there is a problem with dog fouling in the village. There was a bin provided for this use, however it has now been taken away. Kevin asked Alma if she would be prepared to be the village warden and report any issues that are found. Alma said that she would not. It was decided that Sophie is to contact the Dog Warden and ask them to visit Kington Magna. It was also suggested that we let the Dog Warden know what the habits are of the people walking their dogs. Alma – Alma said that there is a lot of weeds and silt along the edge of the road near the Church. Roger said that at the last Parish Meeting it was said that the hedge needed to be cut by the Churchyard. Roger said that as he has an interest in the adjacent field he organised it to be cut. However this has probably exacerbated the problem. The curb along this stretch of road has also made the road narrow.
